Dear 

STAT

The September 1980 study you referred to in your letter, "Developed Country Imports of Manufactured Products from LDCs," was one of a kind. We have not updated it and have no plans to do so. We appreciate your interest, however, and would be happy to discuss Japanese trade issues with you. In this connection you should address yourself to

 As a result of a reorganization, the economic work is no longer centralized in a single office.

Sincerely yours,

STAT
